

Hand & Wrist  
**ESSR 2021**  
MUSCULOSKELETAL  
RADIOLOGY  
JUNE 10-12, ONLINE

## DEAR COLLEAGUES,

The 2021 Annual Scientific Meeting of the European Society of Musculoskeletal Radiology, hosted by prof. Iwona Sudoł-Szopińska and Kraków local team takes place online from June 10-12<sup>th</sup>.

The 3 day event will focus on Hand & Wrist Imaging, cutting-edge research outcomes and latest developments in the field. We have invited an excellent international faculty and composed a highly interactive program for delegates, including lectures and panel discussion with participation of invited clinicians. In addition to Hand & Wrist sessions, we have special sessions on Arthritis, Tumours, Intervention, Sports shoulder and elbow, Osteoporosis, Pediatric MSK disorders and a concurrent scientific poster session.

It is a 'cannot miss' event for all MSK imaging enthusiasts!

The congress is free for ESSR members and 200 Euro for non members.

The event has been officially accredited by EACCME® for 21 European CME credits (ECMEC®).

Looking forward to meeting you all online for the ESSR 2021!

*Eugene McNally, ESSR Society President*  
*Iwona Sudoł-Szopińska, ESSR Congress President*
