Radiology and Cardiology

## 3rd Grand Round Series in Cardiovascular Imaging

All events will take place online. Duration: 45 minutes

After the great success of the first two series, we are happy to announce the 3rd Online Grand Round Series in Cardiovascular Imaging of the University Hospital Zurich. The series features internationally renowned experts in the field of cardiovascular imaging from various fields, including cardiology, radiology, and medical physics.

We are proud to welcome **Prof. Dr. Nina Ajmone, Prof. Dr. Jeanette Schulz-Menger, Prof. Dr. Rozemarijn Vliegenthart, Prof. Dr. Michelle Williams, Prof. Dr. Jan Bogaert, Prof. Dr. Thomas Flohr, Prof. Dr. Bernhard Gerber, Prof. Dr. Tim Leiner, Prof Dr. Sven Plein and Prof. Dr. Luca Saba** as speakers!

State-of-the art lectures about various cardiovascular disease will be delivered, including the topics ischemic and structural heart disease.

We welcome all interested people to join us for this exciting online series!
