

ESGAR Meets IDKD; Liver and Pancreas Imaging Revisited

Saturday, March 21, 2026

onsite face-to-face only, no recording

Course Objectives:

1. To provide an overview of the most essential state-of-the-art diagnostic imaging findings in the diseases of liver and pancreas
2. To support participants in maintaining up-to-date knowledge through focused review and case discussions with experts in the field.
3. To offer a review and a refresher for residents and fellows, especially in preparation for their Board- and for ESGAR examinations

Target Audience:

1. Residents / Fellows preparing for Board Examination and EDGAR
2. Certified Radiologists looking for an up-to-date concentrated brush-up
3. Clinicians looking for an overview on current knowledge in imaging

Chairperson: Christoph Zech

| | | Last Name | First Name | Topic | Affiliation | Country |
|-------------------|---------------------|-------------|------------|--|-------------|-------------|
| 9.30-9.45 | Opening | Zech | Christoph | | | |
| 9.45-10.10 (25') | Lecture 1 | Radzina | Maija | Evaluation of Liver Fibrosis and Steatosis: What Do I Need to Know? | Riga | Latvia |
| 5' | | | | | | |
| 10.15-10.40 (25') | Lecture 2 | Brancatelli | Giuseppe | Incidental Focal Liver Lesions: How to Characterize | Palermo | Italy |
| 10.40-11.00 (20') | Coffee | | | | | |
| 11.00-11.25 (25') | Case presentation 1 | Radzina | Maija | Tips and Tricks on How to Assess Liver Fibrosis and Steatosis with US and How to Report | Riga | Latvia |
| 5' | | | | | | |
| 11.30-11.55 (25') | Case presentation 2 | Brancatelli | Giuseppe | My Most Challenging Cases of Incidental Liver Lesions | Palermo | Italy |
| 5' | | | | | | |
| 12.00-12.25 (25') | Lecture 3 | Zech | Christoph | F/U after Liver-directed Focal Therapies: What Is Important to Know? | Basel | Switzerland |
| 5' | | | | | | |
| 12.30-12.55 (25') | Lecture 4 | Koh | Dow-Mu | Systemic Treatment in Oncology: How Do I Evaluate Response? | London | UK |
| 12.55-13.30 (35') | Lunch | | | | | |
| 13.30-13.55 (25') | Case presentation 3 | Zech | Christoph | What Has Been Done in That Patient? A Case-based Approach to Solve F/U after Liver-directed Therapies | Basel | Switzerland |
| 5' | | | | | | |
| 14.00-14.25 (25') | Case presentation 4 | Koh | Dow-Mu | Progression, Pseudoprgression, or No Progression... How to Use Response Assessment with New Systemic Therapies | London | UK |
| 14.25-14.50 (25') | Coffee & cookies | | | | | |
| 14.50-15.15 (25') | Lecture 5 | Zamboni | Giulia | Differential Diagnosis of Cystic Pancreatic Lesions | Verona | Italy |
| 5' | | | | | | |
| 15.20-15.45 (25') | Lecture 6 | Kartalis | Nikolaos | Pancreas Cancer: How to Stage | Stockholm | Sweden |
| 5' | | | | | | |
| 15.50-16.15 (25') | Case presentation 5 | Zamboni | Giulia | Is It a Cyst or Something Worrisome? A Case-based Guide to Cystic Pancreatic Lesions | Verona | Italy |
| 5' | | | | | | |
| 16.20-16.45 (25') | Case presentation 6 | Kartalis | Nikolaos | It Looks Still Small - Can They Get It Out? Resectibility Assessment for Pancreatic Cancer | Stockholm | Sweden |
